Home Page Section 1 – Study Corner

Study Corner includes 4 icons – 'Books' – 'Homework' – 'Live Classes' – 'Assessment'. This enables a seamless learning environment for both the educators and learners.

- **Books:** Access ebooks subject wise, chapter wise. SchoolMitra App also ensures audio/ video aid, for effective learning.

- **Homework:** View the homework. You can also submit the completed homework back to teachers for correction through SchoolMitra App.

- **Live Classes:** Join a live class, hobby class or an extra class scheduled by the School.

- **Assessments:** Receive and submit assessments – both objective and subjective.

Welcome

Home Page Section 2 – Communication

Communication Section enables a seamless communication between school, students and parents. SchoolMitra App also proactively creates awareness about various scholarships and competitions taking place across India for the benefit of the Learners.

- **Attendance:** Helps parents track their child's attendance on the daily/ monthly/ annual basis.

- **Alerts:** Get 'alerts' on events like upcoming holidays, school closures, event updates, key announcements, etc.
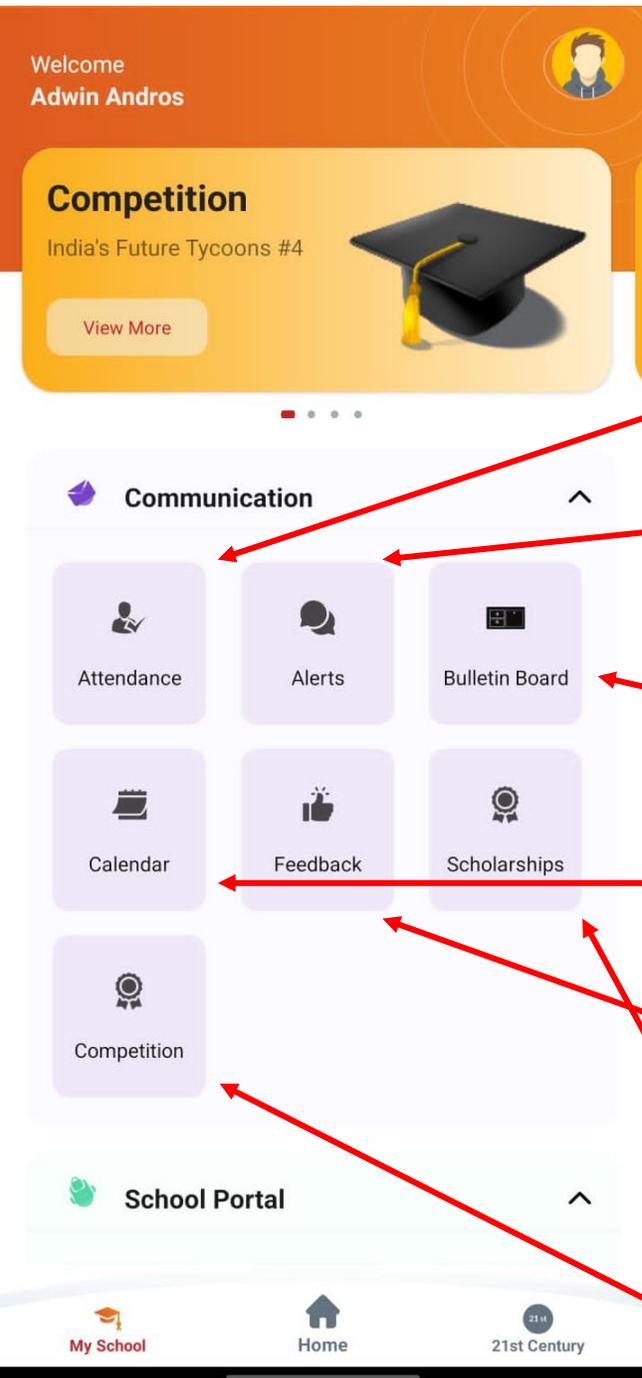

- **Bulletin Board:** This replicates the notice board of a School, wherein you can track the published notices for your child.
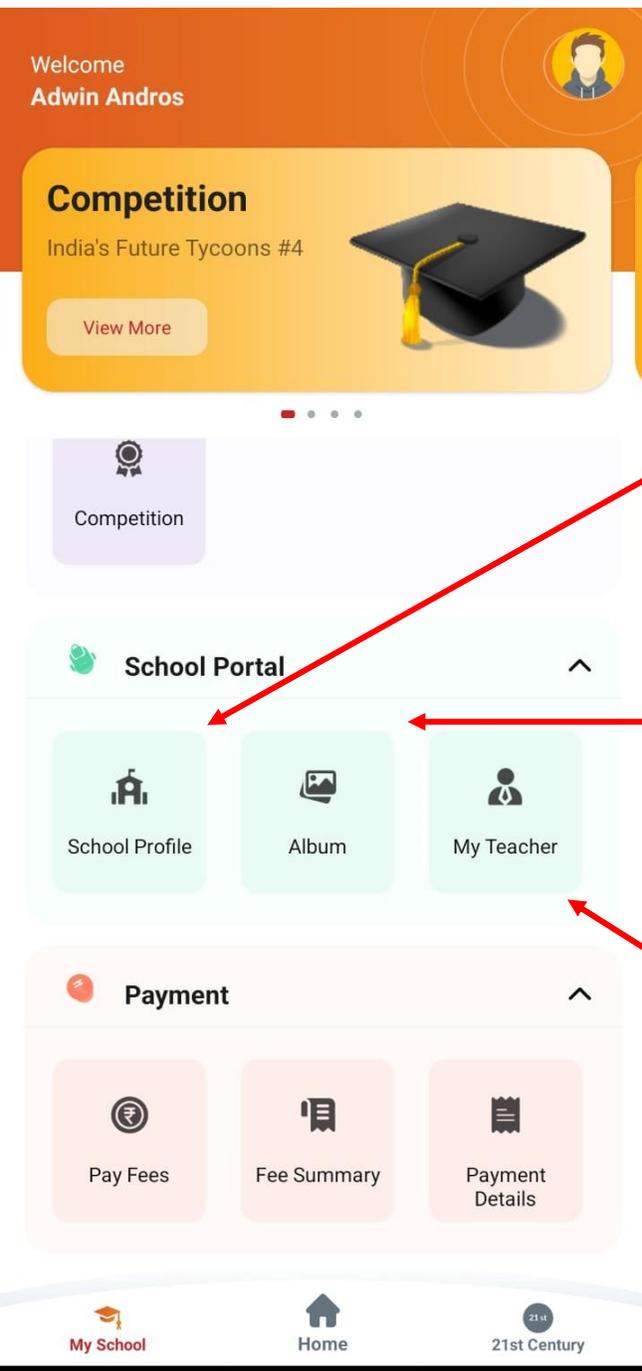

- **Calendar:** Get monthly updates on various school events uploaded by the school.

- **Feedback:** Give feedback on a teacher or on the school's administration to the School management.

- **Scholarships:** Get information about various scholarship programs available throughout India.

- **Competition:** Get information about various competitions available throughout India.

Home Page Section 3 – My School

My School Section includes 2 icons – 'School Profile' – 'My Teacher'. You will find details about your School as well as the class specific Class Teacher here, beneficial for Students and their Parents.

- **School Profile:** Details about the School like Logo, Name, Address, Board Affiliation, School Contact Number and Contact Person are made available.

- **Album:** View pics uploaded by the school admin.

- **My Teacher:** Details such as Teacher Name and Subject they teach in the class are made available.
